Positive Comments

"_____ has settled in very well and enjoys coming to school."

"I have no concerns about this school."

"_____ was being bullied but the teachers were very good at making him feel safe and happy and now he is enjoying school again."

"_____ seems to be doing so well at school and he loves coming in every morning."

Concerns

"Is there any better way to ensure children eat their packed lunches, they are skipping lunch to play out sooner."

This concern has been noted and passed on to lunchtime supervisors. Children are all encouraged to eat all their lunch and this will be monitored.

"More notice of events and times etc. would be greatly appreciated"

"Information should be emailed to parents as a way of contact."

We try to give plenty of notice for events and will continue to do so. Our newsletter is sent home each month with forthcoming events and is also on the school website. We now have a text messaging service which we will use more frequently but need all contact numbers to be up to date.

Concern

"Bullying is bad in this school and the child has to tell you first before the teacher." We are sorry to hear that someone thinks we do not take bullying seriously in school and that we do not deal with bullying incidents. We hold anti-bullying weeks each term as well as making children aware of how to deal with bullying through the curriculum. Our School Council have recently produced an anti-bullying booklet and we will be sending home our advice booklet for parents soon. Invariably it is the child who tells their parent if they think they are being bullied and this should then be passed on to school. At Mersey Park we take bullying very seriously and are pleased that the vast majority of parents agree.
