

## Year 3 Report for Governors Summer Term 2017

We started the term with a truly magnificent production of 'Bugsy Malone' and what an amazing time was had by all. We had so many song words to learn but we absolutely loved singing them and still regularly burst into song now. Our dances were amazing and Mrs Relph was so pleased with us. The teachers didn't think we could use such great American accents...but they were wrong! Lots of us brought costumes in from home and we really looked the part. We even created an old style black and white silent movie for the pie throwing scene.

As part of our geography topic about 'Food' we found out where the food we eat comes from and how it travels here. We researched food from different countries using ipads and library books. We also got to try some tasty foods from around the world. We loved the buttery croissants but the black olives were not quite so popular!

Year 3 are very sporty too! Mr Smith took a small group of year 3 and 4 children to a school athletics tournament. We competed against other schools in running, jumping and throwing and we won. It was great to bring the trophy back to Mersey Park.

We have visited Tesco once again to learn about healthy eating. We were shocked to discover how much sugar is hidden in packet cereals so this time Lyndsey helped us to make our own breakfast cereal from dried fruit, berries and different grains. We also studied the fruit and vegetable aisle and discussed how to get our 5 a day.

Multicultural week was a real highlight this term. We started the week with a Chinese workshop. We heard a lovely story about a magic paintbrush and saw beautiful chinese artefacts. We then had to use chinese paintbrushes and inks to create messages of peace and hope. It was tricky but we managed it and didn't give up. We also took part in a whole school multicultural dance assembly. Year 3 were also chosen to do an additional workshop about dance around the world using an inflatable globe. We also had a P4C enquiry about bull fighting in Spain.

Say 'Hello' to the new Mersey Park bears. We all work hard to follow our school values and be entered into the behaviour raffle each week for a chance to win one of these gorgeous bears.

As we near the end of the school year we still look forward to a sunny sports day, a trip to the Williamson Art Gallery and a visit from Gill Taylor for an exciting Egyptian art day.
