

Year 4 Report for Governors Summer Term 2017

Again this has been a really busy and extremely enjoyable term for all of us. We started the term with our Passport to Europe topic. We had to design, create and evaluate our own mini pizzas. They were so delicious.

A group of our year 3 & 4 children are lucky enough to be involved in a Forest School programme. We have been to Birkenhead Park with Mrs Porter and Miss Davies and have made mallets and bird feeders out of wood. We have also climbed trees and built tents. Our sessions often end around the campfire we have built, with hot chocolates and toasted marshmallows! We truly love our time in the park and would like to thank the rangers for all their help and enthusiasm.

During our whole school poetry week we studied the classic poem 'Tyger Tyger' by William Blake. We looked particularly at the language used and recited it to the rest of the school in a special sharing assembly.

We also had an exciting art day where we created our own Gaudi inspired 3D sculptures. We worked in pairs to create a wire frame and then built up the shape with masking tape.

We then decorated them with colourful tissue paper. You can see them crawling and climbing all over the year 4 classrooms!

We recently had a visit from two ladies from the Halifax bank. It was a fun and informative session that taught us how to be careful with our money and savings.

Lots of our choir, including many children from year 4, were delighted to be asked to sing at Mrs Griffith's wedding. It was a wonderful occasion and all the guests admired our beautiful singing.

Lastly, we are thrilled to tell you that we are visiting 'Barnstondale' again. We hope for glorious weather and already know that we will have a super time learning new skills, spending time with our friends and, for many, being away from home for the first time.
