

MPPS e-Safety & Cyberbullying Overview 2017-2018

Year	Term	Title/Activity	Lesson objectives/details
Foundation Stage	Year round	<p>Children are taught a range of skills that will begin to equip them for using computers and being online safely. They will be taught how to create an Avatar, what information to include in a profile, what to do if they get an 'uh-oh' feeling and about sending responsible messages to their friends only. The resources they will use include:</p> <ul style="list-style-type: none"> - Google Safesearchkids - Smartie the Penguin - Lee & Kim's Adventures - Hector's World <p>These will be used and visited regularly as they fit with P4C sessions, PSHE activities and the weekly themed curriculum.</p>	
Year 1	Year round	<p>Children reminded of the recipes they have written at the start of any web based lessons. As issues arise the class teacher will provide relevant lessons and resources to support the particular concern (e.g. Pantosaurus, Smartie the Penguin). If necessary MGL support or other outside visitors may be asked to support the class.</p>	
Year 1	Autumn 1	eSafety recipe for Safe Internet use	<p>Children and adults in classroom to agree on a recipe for using the Internet safely (both in school and at home). Class e-Safety cadet to be identified and help deliver discussion on this topic. Shared with parents by taking a copy home.</p> <p>New children will sign pupil/parent agreement and SMART rules discussed.</p>
Year 1	Autumn 2	<p>We are Year 1 rule writers</p> <p>We are kind and respectful</p> <p>We are responsible internet and device users</p> <p>We are information protectors</p> <p>We are good digital citizens</p> <p>We are responsible gamers</p>	<p>Creating rules that help us stay safe online</p> <p>Understanding the impact of our online behaviour on others</p> <p>Remembering to take time out from technology</p> <p>Understanding what is meant by personal information</p> <p>Finding out what it means to be a good digital citizen</p> <p>Learning how to stay safe when playing online games</p>
Year 1	Spring 1	<p>Cyberbullying Week (w/b 22nd Jan)</p> <p>Safer Internet Day (6th Feb)</p>	<p>Cyberbullying week - floor assembly reminding pupils of what Cyberbullying is and some scenarios that constitute cyberbullying. E-Safety Cadets to be present to support if possible. Speaking Buddies to take place for older children to discuss with their buddy a variety of scenarios.</p> <p>Safer Internet Day - Life Bus lessons given for KS2. Captain Digi Workshops provided for KS1, Y3 and Y4.</p>
Year 1	Summer 2	<p>Stop Cyberbullying Day (15th June)</p> <p>ChildNet Film Competition</p>	<p>Children will be looking at a range of work, age appropriate on Stop Cyberbullying day.</p> <p>Review the short list of candidates and vote for the favourite film. Why do children think it's the best? How would they have gone about a film for this year's title.</p>
