

PE Report for Governors

March 2018

Curriculum Coverage

Every year group delivers a curriculum based on the Wirral PE scheme of work. We teach a range of different areas including Gymnastics, Dance, Games and Athletics. A number of our PE lessons are taught by Premier Sport coaches who specialise in various areas of expertise and are currently teaching Year 3 and 4 this term. A dance specialist from Premier Sport will be teaching Year 5 next half term. In the summer term 2017, Year 2 and Year 6 benefited from the expertise of a qualified gym coach from Total gymnastics, a gym initiative managed by the Olympic gymnast Beth Tweddle. This was a huge success in terms of the children's enjoyment as well as their increased knowledge and skill. The sessions will be continuing later this year with two different year groups.

All children in Year 4, 5 and 6 are taken swimming, each completing a 5 hour block. They are assessed against the National Curriculum standard using the online Swimphony assessment package. 76% of our Year 6 children achieved National Curriculum Level swimming a distance of 25m using a variety of strokes. In Year 4 and Year 6 pupils have the opportunity to take part in outdoor pursuit activities during residential stays at Barnston Dale and Oaklands.

Monitoring

I spent two afternoons in December monitoring PE across the school. During this time I observed lessons taught by teachers and sports coaches giving constructive feedback to individuals. I noticed that some children were not wearing the correct kit and so have provided a spare kit bag for children to use who have not got the correct kit in school. Since the observations I have also met with Mr Murphy who delivers the KS1 PE curriculum to ensure varied coverage across the key stage. During monitoring time I spoke with children from all year groups, who gave me feedback about PE lessons and sports clubs. I will use this to enhance our extra-curricular activities and PE lessons. All children spoke positively about PE clubs, lessons and competitions they had attended. I also monitored PE assessments ensuring all teachers are using the correct format and using the correct assessment criteria.

Display

- There are several PE Displays around school in classrooms, corridors and in the lower hall. Here are some examples celebrating children's work and achievements.

CPD

The staff have had many opportunities to enhance their teaching of PE over the past year.

- Gymnastics in house training led by K.Dodd during a staff meeting - Nov 2017
- Swimphony – Online assessment tool maximising pupil attainment in school swimming – attended by K.Dodd
- PE subject leaders cluster meeting - attended regularly by K.Dodd.
- Swimming training for teachers in need.
- Year 2 and Year 6 teachers have observed gym sessions taught by a specialist coach and then taught these sessions to the other class in the year group whilst the teacher observes.
- Starting in Spring 2 we will have a specialist dance teacher delivering lessons to Year 5 whilst the teachers observe for CPD purposes.
- 3 twilight CPD sessions have been attended by all staff who teach PE every year over the past 3 years led by Premier Sport. Staff have then fed this back during practical PE staff meetings to other members of staff. The Dates for this year's CPD is as follows:

CPD Invasion Games – Monday 5th March – 16:00 – 17:30 – Mersey Park Primary

CPD Athletics/Striking and Fielding – Monday 26th March – St Werburghs Primary – 16:00-17:30

CPD Dance – Summer Term TBC – Bedford Drive Primary
