

As historians we will be looking at different buildings and discover when they were built.

We will talk about family history and where the children have lived before. Also we will take a walk around our local area to observe the different buildings.

As geographers we will be looking at different buildings from around the world. We will compare them with our own homes.

As artists we will complete observational drawings of buildings in our local area.

*Speaking and Listening*

We will ask questions about buildings from other countries.

We will take turns in talking about buildings we have seen.

We will take on different roles within our role play area.

*Writing Opportunities*

We will write about different buildings from around the world.

We will label parts of the home.

We will write the story of 'The three little pigs'.

*Maths Opportunities*

We will learn about shapes.

We will learn about odd and even numbers.

We will have various counting, adding and subtracting experiences connected to our topic.

*Social, Moral, Spiritual, Cultural*

We will work together cooperatively in role play and games.

We will take turns in talking and actively listen to each other.
