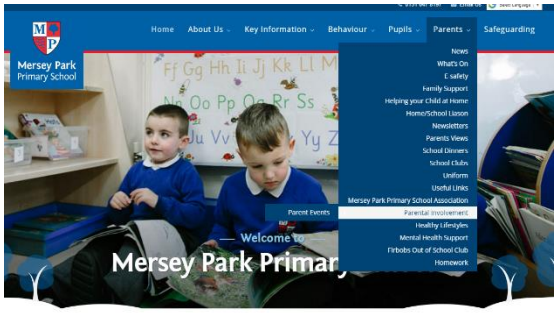
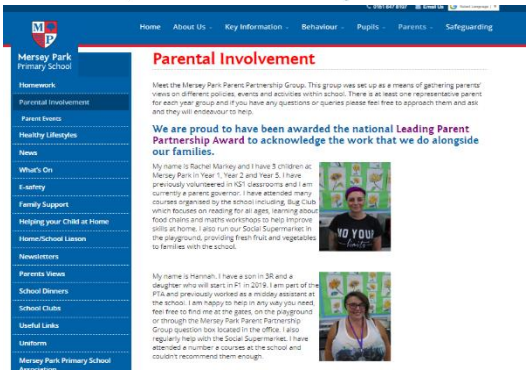
MERSEY PARK
Parent partnership group

Autumn 1 Newsletter

As some of you may be aware the Mersey Park Parent Partnership Group have a dedicated page on our school website.
www.merseyparkprimary.co.uk
This page is located under; Parents, Parental Involvement. On this page you can find out a little bit more about the members and also some of the work we have done so far as a group. Also in this section you will find a calendar of parent events. This will be updated regularly throughout the year as more courses are organised.



'Be Nice', 'Work Hard' and 'Never Give Up'



It has been discussed by some of the parents that the word 'voluntary' should be taken off any trip letters because this makes some people think that they don't' have to pay.

As trips are heavily subsidised by the school, if not enough parents do pay for the trips then the school will be forced to cancel and we agreed that this would be a huge shame for the children.

At our recent meeting we discussed e-safety and the barriers we encounter when trying to keep our children safe on the internet. We discussed holding a parent e-safety coffee morning with a question and answer session. Parents would be able to come along and share their ideas and tips on keeping their children safe. In addition, we suggested inviting along an expert to share their knowledge and and give advice. If this is something you would be interested in attending then please let one of us know.

In our next meeting after the half term we will be discussing Anti-bullying, the Rights Respecting Schools award and Attendance. If you have any views on these matters please talk to any of the Parent Partnership Representatives and they will pass on your thoughts, opinions and questions.
