

At our most recent meeting we discussed Anti-bullying, the Rights Respecting Schools award and Attendance. Mrs Tootell shared the Anti-Bullying policy with the parents and discussed our personal definitions of bullying in each year group. We discussed how cyber-bullying is becoming more prominent across the country and all the work we do to prevent cyber-bullying becoming an issue in our school. We discussed where parents can find information about all the Anti-Bullying work we do at Mersey Park on our school website. Here is a link to the Anti-Bullying section on the website if you would like to find out more:

Mrs Tootell shared with us the work we do with the children to demonstrate our commitment to being a Rights Respecting School. We are currently at bronze level in the awards process and working towards silver.

Attendance

Attendance is a very important matter for our school as we are sure you are all aware. If you read the recent letters sent home you will also be aware of the actions put in place to help support our children and their families and to ensure the children attend school every day. Did you know that just one day off each half term could put your child below our target percentage of 97%?

Welcome

At our recent Parent Partnership meeting we welcomed a new member Mr Pete Caldwell who has a son in F2D. If you have a child in F2 then please feel free to approach him and ask any questions you might have.

In our next meeting, after the half term in February, we will be discussing our curriculum. If you have any views on these matters please talk to any of the Parent Partnership Representatives and they will pass on your thoughts, opinions and questions.
