Governor observations and comments <ul style="list-style-type: none">• The children discussed the importance of keeping safe on the internet.• We were given tips and ideas on the best apps, websites and games for different age ranges.• We played some interactive games with the children and other parents that attended.• Discussions surrounding the pros and cons of the internet.• The children each read out a statement about what they enjoy about using the internet and how it helps in school.	
Any key issues arising for the governing body <p>It was disappointing to see a lack of parents/carers attend the workshop as the issue of e-safety is such an important part of children's lives today.</p>
