December 2019

We can't believe that it's nearly the end of our first whole term! The children have made a fantastic start to their first whole term at Mersey Park and have settled really well into their new routines. They should be really proud of themselves! We have been learning all about night time and talking about the things we can hear and see at night. The children have enjoyed learning lots of new words, such as 'nocturnal', 'dusk', and 'headlights' and using these words in their play.

Christmas will soon be upon us and we have already started learning about Christmas and family traditions. The children have been learning all about the First Christmas story and will be performing in their first nativity. How exciting!

Little Jack Horner
Sat in the corner,
Eating a Christmas pie;
He put in his thumb,
And pulled out a plum,
And said, "What a good boy am I!"

The children will be making tasty mince pies for you to buy, along with a glass of refreshing Christmas fizz.

As well as making yummy mince pies the children have also been getting busy making beautiful handmade picture frames for you to buy at £1 each. They would make a perfect gift to give at Christmas!
