

Welcome back!

Welcome back after a very long sweet filled, pumpkin popping and fire-cracking one week break! We hope the children had a lovely and safe week off and are now ready to settle back into school.

Thank you to all of the parents who attended Parent's Evening. It was lovely to sit down and meet so many of you. We really enjoyed sharing how well your child has settled into Foundation 2.

This half term the children will be learning all about different festivals, including the Hindu festival 'Diwali'. They will be creating Mehndi patterns and making salt dough to make their very own diva.

Nursery Rhyme of the Month

I'm a little teapot,
Short and stout,
Here is my handle
Here is my spout
When I get all steamed up,
Hear me shout,

Tip me over and pour me out!

I'm a very special teapot,
Yes, it's true,
Here's an example of what I can do,
I can turn my handle into a spout,
Tip me over and pour me out!

Supervised Teeth Brushing

In the upcoming weeks, the children will be starting to brush their teeth during the school day. This is not to replace brushing their teeth at home, but is to reinforce the importance of why we brush our teeth and how to do it correctly.

Each child will be given their own individual toothbrush and together with their friends, will be given 2 minutes to clean their teeth. In previous years, the children have enjoyed brushing their own teeth and the feedback from parents has been extremely positive.

Consent letters will be sent home soon, so please look out for them in your child's book bag!

On Friday 15th November we will be supporting Children in Need. As voted for by our school council, we will be taking part in the Joe Wicks Big Morning Move.

All children will be taking part in live fitness sessions lead by Joe Wicks. Children can come into school in their sports kit with a £1 donation.

Children are encouraged to get as many sponsors from friends and family as possible to raise lots of money for this wonderful charity.

Keeping in Touch

We are now all set up and recording the children's wonderful work on Tapestry. Please remember to keep checking your child's profile and give feedback. We love to hear your comments.

Please also remember to check the school's Twitter feed for regular class updates and photographs of the children's work.
