

Week 23rd March 2020

Foundation 'Working from home'

Hello F2! We hope you're all ok, looking after each other and keeping safe. Here are some ideas for you to do at home this week with your grown-ups! Don't forget to share them with us on Tapestry!

Phonics

Using the sounds **s, a, t, p, i, n** how many 3 letter words can you make?

Number

Can find lots of different ways of sorting the cutlery drawer? Size? Type? Material? Draw the different ways you have sorted them.

Writing

Draw a picture of a plant or flower from the garden and label all the different parts you can see.

Shape

Go on a shape hunt around the house. How many shapes can you find around the house? Can you draw them?

Creativity

You may have noticed lots of rainbows popping up in the windows of houses you have passed by recently. Rainbows are being displayed to spread happiness and hope in these uncertain times. We would love to see a picture of you holding your rainbow. Post your picture here on Tapestry for your teachers.
