

## Week beginning 20<sup>th</sup> April 2020

Hello again Year 2! A new week, a new set of challenges. As always we have been checking your books on Bug Club and adding new 2Do's to Purple Mash - we love marking them so keep doing them and try talking to us in the blog or email. If you want something different have a look at these and see how many you can complete with your family:

Using your amazing Maths minds can you complete this challenge? Record your answers in your exercise book or discuss them with someone in your household.

### Power Up

Which number will come out of the machine?

What will happen if you put these numbers into the machine: 64, 23, 47, 81, 22?

Internet Safety is really important while you are learning at home. Talk to someone in your house about Taff's problem. Why is he worried? What should he do?

#### Taff's Problem:

Taff's best friend has asked him for his personal details and password so that he can login. He wants to look at Taff's photos and profile page.

Now try to find these words in the wordsearch:

```

B E A W A R E O F W
H (A) (A) N T Y O U S H
A R D E A I W (B) T L
P R N D U M I E G (A)
T A I X R R E W J M
F W T Z T E B E L S
L O O H C (S) S W B D
W A D A C R W S Y I
(P) A S S W O R D S I
Y X B M J P U D G O
    
```

These are all types of personal information that should be kept private!

1. ADDRESS
2. AGE
3. BIRTHDAY
4. NAME
5. PASSWORDS
6. SCHOOL

Remember to be "Share Aware" - do not give out personal information online even to a friend.

Choose your favourite minibeast (some ideas below if you're needing them), draw it and write about it. Include what it looks like, where it lives and why it lives there.

Did you know: Centipede means a hundred legs but most centipedes only have 30 legs!

A craft activity for you to try! Can you use a toilet paper roll to create yourself a bug?

## MAKING BUGS out of toilet paper rolls

You will need a little imagination, some paint or pens, some extra cardboard and any other craft items you may have. Decorate the body with pens or paint, add some wings and a face from the extra cardboard and add details such as antenna from other craft items. Try to share photos of them on Purple Mash.

Mrs Perkins has set you an RE challenge:

We would have been starting a topic on Islam. Can you find out why these items are important in the Islamic faith?

mosque

q'ran

five pillars

prayer mat

mecca

### Scavenger Hunt

On Wednesday it is Earth day - can you find:

- a light to switch off?
- something that is growing?
- a recycling symbol?
- something that makes pollution?
- something you can reuse?
- 3 pieces of rubbish you can throw away?
- a way you can help the Earth?

Can you create a food masterpiece? Try using pizzas, wraps or bread rolls to make a delicious Veggie face treat.

You can add any toppings you like to design yourself a really tasty looking friend. One of our favourites is soft cheese topped with cucumber smile, grape eyes and carrot hair. Mmmmm!
