### Make an Easter Egg Card

Lots of people like to send cards at Easter- you can make one for someone special.

Draw a big oval to make the shape of your egg (a grown up can show you what one looks like!). Cut around the egg shape. Now you can decorate your egg. You could make a repeated pattern by drawing 2D shapes on it.

On the inside remember who you want to write your card **'To'** and who it is **'from'**.

Now it's all ready for you to give on Easter Sunday.

### Make an Easter Bonnet

Can you use the internet to look at different images of Easter bonnets? What do they look like? How are they decorated? Can you make your own Easter Bonnet and decorate it? You could use lots of different things that you have at home. Please could you take a photograph or make a video and post it on Tapestry. We would love to see it.

### Easter Baskets

Easter Bunny has a bit of a problem because he doesn't remember how to make a basket to fit an egg in! Can you help him? It needs a handle and needs to be strong enough to carry a small egg. Could you make one using any paper or packaging that you have at home?

## Easter Bunny Exercise (Counting 9)

Can you do these exercises to show Easter Bunny how to get ready for delivering eggs?

Make a starting line. Take 9 giant steps, 9 tiny steps, 9 jumps, 9 tiptoes etc. How far can you travel each time? Who can travel the furthest in 9 steps? Who can travel the shortest with 9 tiny steps?

## Spring/New Life

During spring many baby animals are born.

Using the internet can you find images of these baby animals?

-foal

-duckling

-chick

-piglet

-calf

-lamb

-kid

Can you name the adult animal that the baby will grow into?

Can you draw the baby animal with its matching adult animal?

Please remember to share any photographs of you completing activities- we love to see them.

Have fun and a happy Easter!
