

F2 Weekly Work 18th May 2020- 'Jack and the Beanstalk'.

Hello F2! We hope that you are having fun learning at home. Here are some more activities for you to complete at home this week. We hope that you enjoy them!

We have a different version of 'Jack and the Beanstalk' to listen to this week. You can find it at [You Tube Jack and the Beanstalk-Give us a Story](#)

Can you tell your grown up how this version is different to any of the versions you have already heard?

Inside The Castle

When Jack went into the Giant's Castle, what do you think it looked like inside? Close your eyes and think about how big it would be, what the furniture would look like and who would live in there. Would it look the same as the inside of your house? Can you draw a picture of the inside of the castle? Can you write some sentences to tell us what you can see? They could begin like this...

I can see

Longer / Shorter Than My Shoe

Do you remember the Boot that we found outside F2? It was a very long boot! We would like you to do a measuring job at home. Can you look for objects that are longer or shorter than your boot/shoe at home? Can you sort them into two groups (sets)? Can you put longer objects in one group and shorter objects in another group? Do you have more shorter objects or more longer objects? Take a photograph and post it on Tapestry-we would love to see the two sets that you make!

Jack's Snack –Make Banana Bread

Jack has left you the recipe for his favourite snack that he likes to eat after climbing up the beanstalk. Try making it at home.

Ingredients

- 3 very ripe medium **bananas**
- 3 large **eggs**
- 100g/3½oz soft light **brown sugar**
- 150ml/5fl oz sunflower or **vegetable oil**
- 275g/9¾oz white **self-raising flour**
- 1 tsp ground **mixed spice**
- 1 tsp **baking powder**

Method

1. Preheat the oven to 180C/160C Fan/Gas 4 and grease and line a 900g/2lb loaf tin (or use muffin tin).
2. Peel the bananas and mash with a fork. Tip into a large mixing bowl and add the eggs, sugar and oil. Use a fork or whisk to combine.
3. Add the flour, spice and baking powder and whisk together until thoroughly mixed. Pour into the prepared tin. Bake for 40 minutes, or until the cake is well risen and a skewer inserted into the centre comes out clean. If using muffin cases reduce cooking time to 20 mins.
4. Cool in the tin for 10 minutes, then turn out onto a wire rack. Serve warm or cold in slices. Spread with butter if you like.

Find the Total

Would you like to make a pair of dice to be able to play our game, 'Find the Total'?

You need two boxes to be able to count the total. Cut down one side, so that you can turn the box inside out and then stick it back together with tape. Draw on some spots and you're ready to play!

You need to roll each dice and then count how many spots that you have altogether when you count all of the spots. If you play the game with someone else, you can see who gets the biggest number and they will be the winner.

Kindness Week

This week is 'Kindness Week' and we are all going to try to make an extra effort to be kind to everyone at home. Mersey Bear thinks it would be kind to offer to tidy your bedroom at home. Can you try to keep your room tidy all week?

Carry on with the good work at home and remember to let us know which activities you complete on Tapestry. We look forward to seeing what you have done- it really makes us smile.
