

## F2 Weekly Work 25th May 2020- 'Jack and the Beanstalk'.

Hello F2! We hope that you enjoyed last week's activities. It was lovely to see so many of your photographs on Tapestry! Here are some more jobs to do at home.

### Be a Storyteller

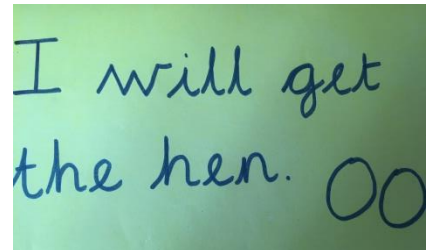

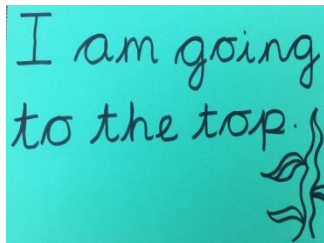

Each week we have been listening to a different version of 'Jack and the Beanstalk'. This week we would like you to help your grown up to tell the story. Your grown up can tell the story to you and you can help by using your Giant's voice to say the part that begins with, "Fee, fi, fo, fum..."

How will your story end?

### Write a Message

Jack has been busy writing messages to his mum at home. Can you read them?

Can you write a message to tell your grown up at home what you are going to do each day this week? Can you try to say the words like a robot when you try to sound them out? This will help you hear the sounds that you need to write in the word.

You can begin your sentences with...

*I am going*

### Sun poster

It has been very hot outside this week and Jack has found it difficult climbing up the beanstalk. He keeps forgetting to make sure that he is ready to go out in the sun! Can you think what he needs to wear to make sure that he is ready for the sunny, hot weather?

Can you make a poster to remind him how he needs to keep safe in the sun? You can draw the things that Jack needs to use to keep safe in the sun. Can you think of anything else he might need to keep him safe?

### Mini Pizza Quiches

Jack thought that you might like to try to make his favourite lunch that he loves to take on a picnic in his garden!

#### Ingredients

2 large tortilla wraps

4 eggs

Chopped vegetables (optional)

6 slices salami or 12 slices pepperoni

cherry tomatoes, halved, plus extra to serve

handful basil leaves

vegetable sticks, to serve

#### Method

1. Heat oven to 180C/160C fan/gas 4. Using a 12cm cutter (or a small plate) cut circles from the large tortilla wraps – you should get 6. Use the circles to line 6 holes of a muffin tin, pushing them into the holes to make cases.
2. Beat the eggs and pour into the tortilla cases (you can add some chopped vegetables too, if you like). Top each case with a slice of salami or pepperoni and 1/2 a cherry tomato. Bake for 15 mins until the egg has set. Top with a few basil leaves, if you like, and serve with extra tomatoes and vegetable sticks.

### Picnic Time

If you go into the garden for a picnic, can you pour water or juice into the cups? Can you tell your grown up which cups are 'full', 'empty' or 'partly full'?

### Playing Skittles

Jack has a new favourite game to play at home and he would like you to play it too. You will need 10 plastic bottles/milk cartons (part filled with water to help them stand up!), a ball and a grown up to play with. You need to try to knock down as many bottles as you can. You need to write down how many bottles you knock down. Did you knock more this time or last time? Did you knock down more or fewer skittles than your grown up? Are there more standing or more knocked over?

**We hope you have lots of fun learning this week and we look forward to seeing your photographs on Tapestry.**
