

## Week beginning 18<sup>th</sup> May 2020

Hello again Year 1! This week is full of fun activities for you to try at home. Keep looking out on Purple Mash for new 2Dos and Bug Club for new books each day. We are really enjoying marking your work and reading your blogs. You can send a picture of any completed work to [schooloffice@merseypark.wirral.sch.uk](mailto:schooloffice@merseypark.wirral.sch.uk)

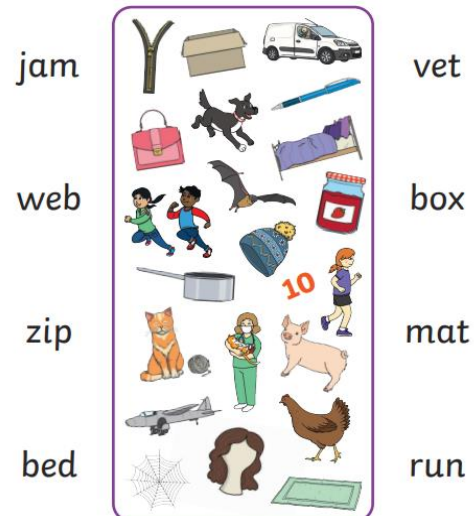

### Maths:

Telling the time. Can you have a go at drawing your own clock and writing down what you do at each hour to create a timetable? Miss Williams has her lunch at 12 o'clock and Mrs Gopsill has a snack at 3 o'clock.

### Phonics:

Eye-spy mat. Have a look around your house and garden for different objects so you can make your very own eye spy mat. Draw your pictures in the middle and write the words around the outside. Look at this example below:

### Literacy:

Can you describe what it would be like to have a day out at the seaside. You can use this seaside word mat to help. Remember to use power adjectives to help describe. Don't forget to write who you would go with, what you would do there, what you would eat there and how you would get there.

#### Seaside Word Mat

# Seaside in a Bottle

## Arts and Crafts:

This week we would like you to try and make the seaside in a bottle. Don't worry if you don't have sand, you can get creative and use different things instead.

## Design

## Technology:

At the seaside the best thing to eat is a tasty ice cream. Can you have a go at designing an ice cream? Would you have a cone or not? Which flavour would you have? Would you use any pictures? Draw your design and label it.

## Supplies

- Plastic water bottle
- Sand
- Assortment of shells
- Pebbles
- Funnel
- Blue food colouring
- Washing up liquid

- Card
- Fine line pen
- Ribbon or string
- Hole punch

1 Using a funnel, pour sand into the plastic bottle until it is  $\frac{1}{4}$  full.

2 Now choose objects to make your seaside scene! We used shells and pebbles.

3 Add a few drops of blue food colouring and washing up liquid to the water.

4 Top the bottle up with water, again using the funnel to pour.

5 Screw the lid tightly onto the bottle. Now place it on its side and allow the contents to settle. You should end up with your very own seaside scene!

6 Now make a tag for your bottle. Using scissors, cut out a small rectangular shape from the card. Then use a hole punch to make a hole at one end. We stained ours with tea to make it look old.

7 Using a fine line pen, write a message such as 'My Seaside in a bottle' onto the tag.

8 Thread a length of ribbon or wool round the neck of the bottle and tie the tag on to it.
