

Week beginning 22nd June 2020

Hello again Year 2! A new week, a new set of challenges. As always we have been checking your books on Bug Club and adding new 2Do's to Purple Mash - we love marking them so keep doing them and try some of the Twitter challenges too. If you want something different have a look at these and see how many you can complete with your family:

Summer Cocktail

As the weather is warmer think about different ways you could be eating your 5 a day fruit and vegetables.

Can you:

- create a fruit kebab?
- make a fruit cocktail?
- freeze your own fruit to make ice pops?
- try making your own fruit flavoured ice creams?

See what fun you can have finding new ways to enjoy the tasty fruits.

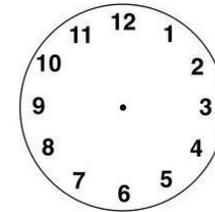

Physical Challenge

Each day try to complete a different piece of exercise. Here are some ideas:

- 30mins walk to and around your local park
- set up some action stations in your garden: star jumps, hopscotch, skipping, hula hoop
- complete a fitness session (PE with Joe, Mr Murphy's Tweets or similar)
- enjoy challenging your family to some active sessions of your own - what do you like to do?

Choose one day this week to complete a diary of everything you do during the day. Can you record each of the times you begin the activities on a clock face?

Can you include the times you started and finished the tasks?

Can you work out how long you were doing each activity or task for?

Paper Chain Class

Using a piece of paper fold it up and see if you can draw a person - remembering to keep their hands at the edge.

Cut round the shape you have drawn and unfold your paper.

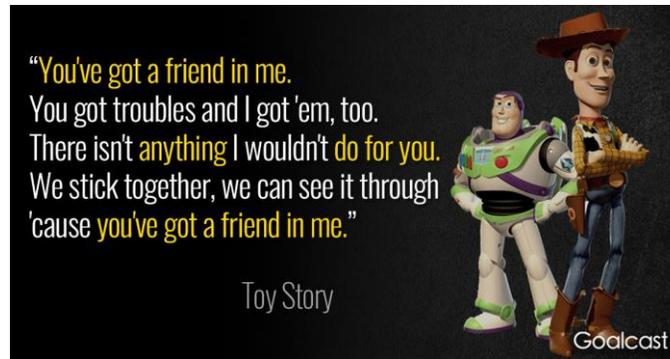

Now decorate your people so they look like our class. Think about what makes each of us different, to see if we can identify each person.

Share photos of the activity with us by emailing:
schooloffice@merseypark.mirral.sch.uk.

Year 2, listen to the song 'You've Got a Friend in Me' from Toy Story and try to learn the chorus:

<https://www.youtube.com/watch?v=CNiO2gxTIIM>

Now talk to someone in your house and think about all the things that make a good friend. Finally, write an advert to find a new friend.

Scavenger Hunt

Instead of a Scavenger hunt in its true form this week we'd like you to find a fruit or vegetable that begins with each letter of the Alphabet!

To help you out we'll give you:

I - Iceberg lettuce U - Urad bean X - Ximenia fruit

How many of these have you tasted?

As Time Detectives can you try to discover what early books looked like?

Try to create yourself a piece of paper that looks like it has been around for years:

<https://www.wikihow.com/Make-Paper-Look-Old>

Now using your old style paper, write your own story. Imagine you had found this story when you dug up a treasure chest.

Where were you digging to find the treasure chest?

What could it be about?

Who would the main characters be?
