

## Fl Home Learning Activity 22.6.20

Hello Fl, we are missing you and hope you are all well. Here are some activities to do at home.

Please read the story 'The Lazy Ladybird' by Isobel Finn and Jack Tickle. You can find it on Youtube.

Can you move like all the different animals in the story? Have a go at flying like a ladybird, hopping like a kangaroo and marching like an elephant whilst waving your trunk in the air!

We would love you to go on a walk around Mersey Park and look carefully around. Can you spy a leaf, a twig, a stone, a bee, a ladybird, a flower, a bird and a squirrel? What else can you see?

At home can you draw or paint a ladybird? Can you give your ladybird 4 black spots?

Let us know how you get on with your activities on Tapestry. Good Luck!
