

## F2 Weekly Work 15<sup>th</sup> June 2020- Pirates Ahoy!

Shiver Me Timbers F2! We have some new pirate jobs to do at home this week. This week our pirate jobs are all about treasure! We hope you have lots of fun!

We have a new pirate story this week for you to enjoy. It's called, 'Pirates Love Underpants' [https://www.youtube.com/watch?v=Vd8\\_Y1bEzA8](https://www.youtube.com/watch?v=Vd8_Y1bEzA8)

### Make a Telescope

This week we are treasure hunters. We will need to keep looking for an island from the crow's nest. We can use our telescopes to do this. Ask your grown up how telescopes work.

This is how you can make one.

1. You will need paper, or a cardboard tube, a yoghurt pot, paints, pens, pencils or stickers to decorate, scissors, tape.
2. Roll the paper into a tube shape big enough to fit into the base of the yoghurt pot.
3. Cut out a circle on the base of the yoghurt pot.
4. Fit them together and decorate. Now you have a moveable telescope!

What can you see Pirate?

### Treasure Maps

Look at the treasure map that we found in class.

Look for;

- the land
- the sea
- the lake
- the forest
- Skull Rock
- Snowy Mountains
- the river
- the place that the treasure is hidden

Here are some other things that you might find on a treasure map. Can you use the internet to help you to find them and talk about them with your grown up?

Mermaid, shipwreck, compass, shark fin, cave, bridge

[Draw and Label a Treasure Map](#)- Can you make your own treasure map? Can you write labels next to the places, objects on your map? Say the words like a robot to hear the sounds, or stretch them out to help you to write the words.

### [Healthier Flapjacks](#)

After all that hunting for treasure you must be hungry pirates. Here's a treasure hunting tasty snack to make at home.

#### Ingredients

- oil, for greasing
- 100g/3½oz butter, cubed
- 100g/3½oz golden syrup
- 50g/1¾oz mixed fruit
- 50g/1¾oz raisins
- 50g/1¾oz dried apricots, cut into sixths
- 250g/9oz jumbo porridge oats
- 1 large egg, beaten

#### Method

1. Preheat the oven to 200C/180C Fan/Gas 6. Lightly oil a shallow tin and line the base and sides of the tin with grease proof paper.
2. Melt the butter and syrup together in a large saucepan over a low heat, stirring regularly. Take off the heat and stir in the mixed fruit, raisins, apricots and oats. Stir in the egg.
3. Spoon into the prepared tin and press until well flattened. (It's important that the oats are pressed well, so that they stay firm enough to cut when baked. Use the back of a metal spoon to make sure they are fully compressed). Bake for 18–20 minutes, or until golden and lightly browned around the edges.
4. Mark the flapjack into 12 pieces without cutting all the way through, this will make it easier to cut the flapjack when it's cool. Leave until cold then cut the flapjack with a sharp knife.
5. Store in an airtight container, or foil for up to three days

### [Pirate Song and Dance](#)

This week we have a new pirate song to learn. It's called, 'A Pirate Went To Sea, Sea, Sea' <https://www.youtube.com/watch?v=YO3he2Gv4M> Can you make up some actions? We would love to see you perform on Tapestry.

### [Pirate Treasure](#)

The teachers have found some treasure! We found 10 pirate doubloons! Can you help us to sort the coins in different ways? Can you think of all of the different ways of making 10? Show us on Tapestry as we would love to see!

We hope you have lots of Pirate fun F2 !
