

F2 Weekly Work 8th June 2020- Pirates Ahoy!

Ahoy F2! We have some new pirate jobs to do at home this week. We hope you have fun completing them. Please remember to post any photographs onto Tapestry. We love seeing them.

Pirate Sing Along

This week we have a new pirate song to learn. It's called, 'What Shall We Do With The Grumpy Pirate?' <https://www.scottishbooktrust.com/songs-and-rhymes/what-shall-we-do-with-the-grumpy-pirate>

Have you ever been grumpy? What made you grumpy? Why do you think the pirate was grumpy? What happened to help you cheer up? What helped the pirate cheer up?

Could you learn the song and think of some actions for the song? Could you make some new words up for the song?

What do Pirates Wear?

Pirates wear special clothes to sail away on the high seas. Have a look at the pictures below. What are the pirates wearing?

Can you use the internet to find out about the different sorts of clothes pirates wear?

Can you find out what these interesting words mean using Google Images? (It will help you with your next job)

Waistcoat, Eyepatch, Peg Leg, Hook, Buckle, Cutlass, Skull and Crossbones, Cuff, Beard, Moustache.

Draw and Label a Pirate

Can you draw your own pirate and give your pirate a name? Can you label your pirate to tell everyone what s/he is wearing? Remember to say the words like a robot, so that you can hear the sounds in each word to help you write.

Make a Pirate Eyepatch

To make your pirate patch, you will need paper, string or elastic, scissors, chalk or pens/pencils to draw skull and crossbones.

Draw the shape and then cut it out. Make holes on either side, then thread string/elastic through. Add a skull and cross bones and you are ready Pirate!

Make Pirate Rainbow Kebabs

Pirates need to keep themselves healthy when they sail away looking for treasure! Eating enough fruit gives them lots of vitamins. Here's a tasty snack that the like to eat. Would you like to try to make them with an adult at home? You'll need to do some super counting when you're making them!

Ingredients

- 7 raspberries
- 7 hulled strawberries
- 7 tangerine segments
- 7 peeled mango chunks
- 7 pineapple chunks
- 7 green grapes (cut lengthways)
- 7 red grapes (cut lengthways)
- 14 blueberries
- 7 wooden skewers

Method

1. Take 7 wooden skewers and thread the following fruit onto each – 1 raspberry, 1 hulled strawberry, 1 tangerine segment, 1 cube of peeled mango, 1 chunk of peeled pineapple, 1 chunk of peeled kiwi, 1 green and 1 red grape, and finish off with 2 blueberries. Arrange in a rainbow shape and let everyone help themselves.

You could change any of the fruits to your favourite! Enjoy!

Making Pirate Patterns

Can you go on a pirate hunt for natural objects to make a pirate pattern? You could look for sticks, dandelions, daisies, leaves, pebbles etc. Can you make your pattern in a straight line, or could you make a circular pattern?

We have a special story about pirates –it's called 'The Night Pirates'. You can find it at <https://www.youtube.com/watch?v=mdWxBn-xvr>
