Maths: On Bitesize this week you will learn how to make arrays by making equal groups and building them into columns or rows.

<https://www.bbc.co.uk/bitesize/articles/znwwg7h>

Can you write the whole part model, bar model, ten frame and number sentences to match this array? There are some activities to try on the link.

Literacy: We will be learning all about graphemes. We will be able to read and write words by sounding out the graphemes. For example the word otter is made up of the graphemes o - tt - er

Bringing Books to Life 1
An adventure into the world of children's literature as

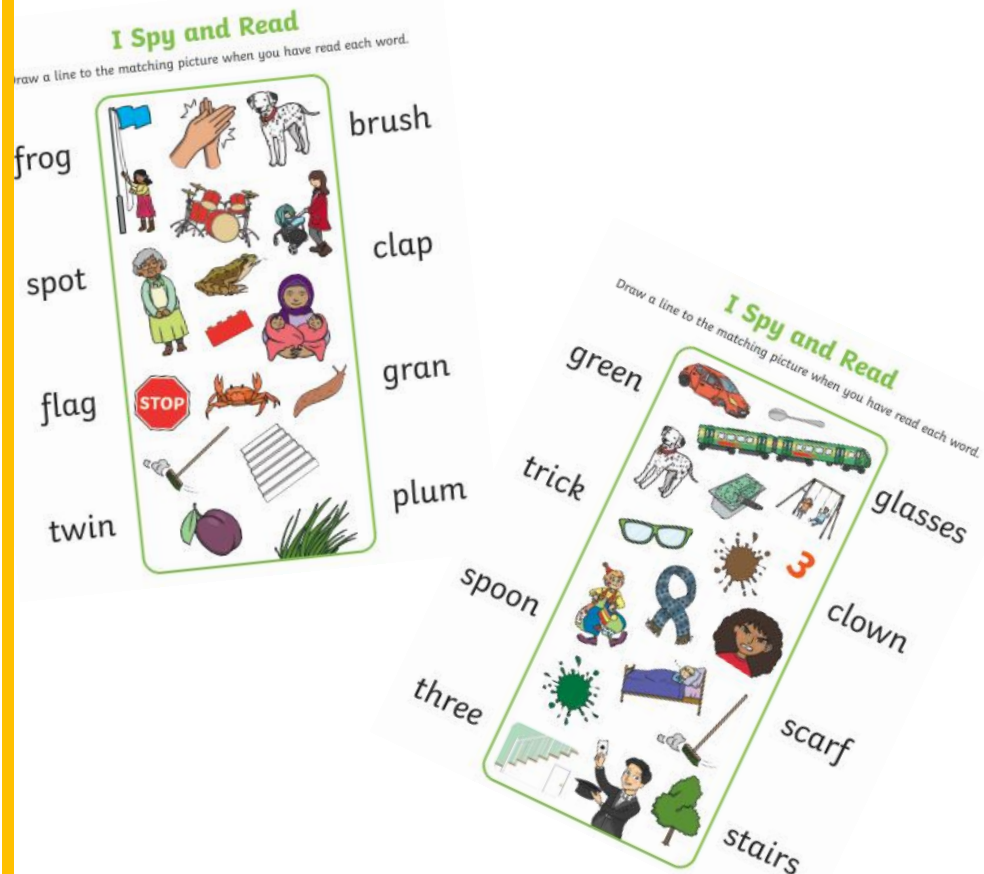

Bringing Books to Life 2
More adventures into the world of children's literature as

Phonics:

<https://www.bbc.co.uk/bitesize/topics/zvq9bdm>

Could you have a go at making your own 'I Spy' mat at home by finding different objects in your house and draw them and then write the name of them around the outside and see if your grown ups can find each picture.

History:

Who was Florence Nightingale?

We will be learning about the life, actions and achievements of Florence Nightingale.
