

## Year 4 Weekly Work

Hello Year 4. Thank you for all your hard work last week, you're doing great! Remember to email any completed work to the school office for us to see. [schooloffice@merseypark.wirral.sch.uk](mailto:schooloffice@merseypark.wirral.sch.uk)

This week we have set a range of Maths, Literacy, Science, Geography and Art activities for you to complete at home.

Good luck! We can't wait to see what you produce this week.

**Maths-** This week we would like you to concentrate on your times tables. You have tried so hard this year to improve your times tables knowledge, so we want you to keep it up. Below is a website to help you keep all of those times tables facts fresh in your head. Why don't you try having a go at the Purple Mash assessment when you're feeling more confident at the end of the week? Good luck!

<https://www.topmarks.co.uk/maths-games/7-11-years/times-tables>

**Literacy-** Story Starter-Shipwreck. Below is a link to a workbook. It includes a range of activities including: a story starter; questions about the picture; personification work and improving sentences. This week we would like you to complete the activities in the booklet (do not try and do it all in one day).

[https://pobble365.b-cdn.net/pdf-attachment/resource/attachment/231/231\\_Shipwreck.pdf](https://pobble365.b-cdn.net/pdf-attachment/resource/attachment/231/231_Shipwreck.pdf)

We would love to see your finished 'Ship Wreck' story.

**Science-** This week we want you to investigate how sound travels through different materials. Below is a link to an experiment you can try at home. Click on the link and scroll down to the 'Sounds of Silence' experiment to get started.

**Geography-** It is so important you have knowledge of the world we live in. Your task this week is to learn more about the countries and continents that make up our world. Below is a link to help:

**Art and Design-** This week we want you to research the artist Chris Ofili (the artist who made art using elephant dung). Have a look at the following website and try creating some Chris Ofili inspired artwork (without the use of elephant dung). Email your finished work to the school office.
