

Week beginning 13th July 2020

Hello again Year 2, your last activity sheet in this format! As always we have been checking your books on Bug Club and adding new 2Do's to Purple Mash - we love marking them so keep doing them and try some of the Twitter challenges too. If you want something different have a look at these and see how many you can complete with your family:

Learn a New Game

Speak to your parents or grandparents about games they used to play. Often these will be non-screen based as computers were not as common.

Ask them to teach you to play a game they used to enjoy.

Year 2 Learning Journal

Time to reach for the stars!
Think about your goals for the new school year.

What I want to achieve next year...

Reach for the stars!

Draw what you'd like to try next year.

Something new I'd like to try...

Hand Animals

Draw round your hand and see what animal you can create. Try drawing on extra features and adding colour.

Now draw round your hand again and try another animal.

St Swithin's Day!

St Swithin's Day is celebrated on 15th July every year. Can you find out what the tradition is all about?

Here's a little hint:

"St Swithin's Day, if it does rain

Full forty days, it will remain

St Swithin's Day, if it be fair

For forty days, t'will rain no more"

Share photos of the activity with us by emailing:
schooloffice@merseypark.mirral.sch.uk.

Camping Yoga

Many people go camping over the summer holidays. Try some gentle stretching using these poses:

Scavenger Hunt

See if you can find these fairytale items:

- a beanstalk
- a knight
- three pigs
- a crown
- some gold coins
- a unicorn

Would you like to have some fun in the kitchen to make a tasty treat with a grown up?

Well, try making a scrumptious wrap pizza.

All you will need is a wrap and a selection of your favourite toppings.

Try to use a selection of textures and colours.

Here's one idea:
