

Year 4 Weekly Work

Hello Year 4. Thank you for all your hard work last week, you're doing great! Remember to email any completed work to the school office for us to see. schooloffice@merseypark.wirral.sch.uk

This week we have set a range of Maths, Literacy, Science, History and Spanish activities for you to complete at home.

Good luck! We can't wait to see what you produce this week.

Maths- This week we would like you to concentrate on data handling. This is something we have done during our Maths Skills Checks. Below is a website to help you to refresh your memory of how information can be presented in different ways. Why don't you try having a go at creating a bar chart for family member's favourite crisp flavour? It would be great to see some of your results displayed neatly in a bar chart. Good Luck year 4!

Literacy- Story Starter- Egg- Shaped. Below is a link to a workbook. It includes a range of activities including: a story starter; questions about the picture; synonym work and improving sentences. This week we would like you to complete the activities in the booklet (do not try and do it all in one day).

We would love to see your finished 'Egg-Shaped story.

Science- This week we want you to investigate the science behind different sounds. Below is a link to an experiment you can try at home. Click on the link and scroll down to the 'Musical Science' experiment to get started.

History- One of your first topics in Year 5 is all about Ancient Greeks. Why don't you get a head start? Click the link below to find out all about Greek culture. Can you make an information poster to display your findings? We can't wait to see what you produce.

<https://www.bbc.co.uk/bitesize/topics/z87tn39/articles/zgpdjxs>

Spanish- You will be learning the names of body parts in your Spanish lessons when you return to school in September. Why don't you start learning them now, so you can impress Senor Pena with your Spanish knowledge? Click on the link below to help you:
