

**Mersey Park Primary School
SCHOOL VISIT RECORD**

Name: Val Maher	Date and Time: 16th January 2020
Purpose of planned visit To discuss Pupil Premium with headteacher	
Links with the School Development Plan (SDP) Objective 2 To continue to close any gaps in attainment between pupils in receipt of Pupil Premium and those not entitled.	
Governor observations and comments I had already accessed the Pupil Premium information on the school website and this was used as a basis for our discussions. As well as whole school targets each year group's data for 2019 was reviewed and also the targets for 2019-20 discussed. Margaret also shares information regarding the drive to reduce gaps between PP and Non PP children regularly at Governors' meetings as this has such high priority in the school and drives much of what they do. It is also important to see how the large a budget we receive is used to such good effect.	
Any key issues arising for the governing body To continue to make this a focus for our meetings and ensure all the reports are carefully read and any questions brought to the meetings.	
Action following governing body meeting	
Any additional comments It is very reassuring to know that PP information is recorded and made available for all parents and governors on the website as well regularly reported at meetings.
