

Mersey Park Primary School

Headteacher's Newsletter - March 2021

Welcome Back

We are looking forward to welcoming everyone back to school and would like to thank you all for your help in keeping our school community safe during this difficult time.

Parents/carers - please ensure when arriving at school that social distancing is observed and masks are worn whilst in the school area.

Details of start times and end times for each year group can be found on the letter recently emailed to each parent/carer or alternatively check our latest news section on our website home page where you will find a copy.

If you need to visit the school office please remember that only 2 adults should be in our school reception area at any one time and we would ask that a mask be worn when inside the building.

If possible please telephone school with any enquiries and we will be more than happy to help.

— WELCOME —
BACK TO SCHOOL

Uniform and Equipment

Please make sure that children attend school in the correct uniform. They only need a pair of pumps or trainers for PE. They do not need to bring any other equipment with them into school as they will be provided with everything they need. Please leave all bags and pencil cases at home.

March Dates to Remember

Return to School
Monday 8th March

Comic Relief
Friday 19th March

Spring Break (Including Easter Weekend)
Monday 29th March —
Friday 9th April

Save the Children Christmas Jumper Day

We raised an amazing **£183.45** for this wonderful charity on our Christmas Jumper Day. **Thank you!**

Attendance

All pupils must attend school unless a statutory exemption applies.

School has put extensive measures in place to protect pupils and staff, including staggered start and end times to the school day and staggered break and lunch times, individual equipment, additional cleaning throughout the day and robust personal hygiene measures.

Parents/carers must let school know if their child is unable to attend and the reason why. If they are unwell, a brief description of their symptoms is required.

If your child is displaying any of the symptoms for Covid-19 please keep them off school and arrange for them to be tested, informing school of the result as soon as it becomes available.

School will continue to value excellent attendance and will address attendance concerns. We will continue to work closely with parents/carers to address any concerns about their child's attendance.

Attendance Matters!
