Introducing e-Consent forms for school aged vaccinations across schools in Wirral

e-Consent...it's so easy!

Working in partnership with Wirral Community Health and Care NHS Foundation Trust, we're delighted to introduce a new way for our parents and carers to consent to their school aged children's vaccinations.

[You can now provide e-Consent for all your child's vaccinations with the click of a button, using your mobile phone, computer, laptop or tablet.](#)

The new e-Consent process is:

- safe and secure
- easy to use
- convenient and saves time

friendly to the environment - saves paper

How it works:

you'll receive an email or text from ourselves with a link to the e-Consent form

the form is simple and easy to complete

once you've completed the e-Consent form, click 'submit'

you'll receive an email to confirm the form has been received securely

the Trust's Immunisation Team will receive your child's form via a secure portal

if you've consented, your child will have their vaccine here in school

Remember, the new e-Consent process is easy, secure and convenient!

For more information please visit [NHS website](#)
