

RE Subject Leader's Report July 2023

This year, we have continued to deliver RE across the school, using our new RE scheme. We are changing things and making improvements as we go along, so that it is all perfect and fits our school and our children.

Of the many things that the children have learnt this year:

The Year 1 classes were very fortunate to visit St Cath's and learn all about the 'ins and outs' of a church. They also thoroughly enjoyed exploring the topic, 'Sea in the Bible' with Charlotte Kirkham.

Year 2 also, learnt a lot from Charlotte when they looked at 'The rules we live by' and when they explored the Easter Story in school.

Year 3 found out about the importance of pilgrimages and why Moses was such an important character in the Bible.

Year 4 read parables together and explored their wider meanings and also the practices and religion of the Ancient Celts.

Year 5 enjoyed exploring religious symbols and looking at various artefacts from the Jewish faith.

Finally, Year 6 found researching of the temples, including Koh Ker and Borobudur fascinating. They also discovered just how hard it can be to fast as part of a different religion.

All of the work has either been put inside the children's 'Inside Out' books, in their class SMSC book, on display or the school website and Twitter.

Bible Club has also had another successful and enjoyable year in our school, this time, with children from Year 2 – Year 6.

It has been so good to be, at last, 'physically' back in both of our local churches for our Christmas and Easter services. Both adults and children have missed and enjoyed the services alike.

End of Year Data July 2023			
	% below expectation	% At expectation	% Above expectation
Year 1	29	68	4
Year 2	5	95	0
Year 3	10	87	3
Year 4	39	54	7
Year 5	21	76	3
Year 6	26	71	3
