

# PE Report for Governors

July 2024

## Curriculum Coverage:

Over the past year the teachers continued to follow the guidelines set by the National Curriculum and this is mapped out in broad and balanced blocks using the Wirral Scheme of Work for PE, to ensure that we offer a range of activities that allow each child to feel challenged and offer opportunities to progress further. Our personalised, whole school curriculum overview maps out the links to key areas of the National Curriculum and identifies professional sports people who embody sporting traits such as confidence, resilience, courage and ambition. Pupils are encouraged to discuss what makes these individuals so successful in their chosen field. Through this, we hope to inspire our pupils to aim high and follow their ambitions, developing perseverance, grit and determination whilst developing their own personal goals, ambitions and leadership skills.

A number of our PE lessons have continued to be taught by Nathan Brown, a sports coach, who specialise in striking and fielding games but is qualified in delivering all areas of the PE curriculum. He also follows our school planning and themes and has taught Year 5 and 6 this year. All children in Year 4, 5 and 6 have been swimming, each completing a 5-hour block. 61% of our Year 6 children reached the N.C level and 71% can now swim 25m. We booked extra swimming sessions this year for our less able swimmers in Year 6 and as a result we have seen a considerable increase in our swimming data.

## Sports Day:

All children enjoyed and took part in Sports Day. The parents were able to come and watch; we have received positive feedback from parents about the events. The children took part in a series of competitive races and gained stickers for 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and also a sticker for taking part. They enjoyed taking part and cheering each other on during the events.

## Residentials:

In Year 4 and Year 6 pupils have had the opportunity to take part in outdoor pursuit activities during residential stays at Barnstondale and The Conway Centre. During this time, children took part in team building activities, bush craft, orienteering, archery, rock climbing, low ropes and canoeing.

## Extra-Curricular Clubs 2023/34:

There has been a large increase in extracurricular clubs offered this year. NB coaching, Activity for All and Tranmere Rovers in the Community as well as Teachers have offered a broad range of extra-curricular sports clubs throughout the year both before school, at lunch times and after school. ## Competitions and Tournaments:

### Activity For All Tournaments

This year we have continued our partnership with Activity for All and taken part in a number of tournaments for all age ranges across the school. Our children enjoyed the events and represented the school brilliantly.

Y1 & 2 Dance Festival

Y1 & 2 Multi Sports Tournament

Y3&4 Dodgeball Tournament

Y5 & 6 Dodgeball Tournament

Y5 & 6 Athletics Tournament

### Football Team

Mr Smith have taken both the boys and girls school football team to several tournaments and matches this year. The team competed well and proudly represented our school.

### Kidz Fit

All children in Years 1 to 6 enjoyed a brilliant session by Kidz Fit. They learnt all about their bodies and how to stay fit and healthy through interactive challenges.

### Sponsored Fitness Event:

All the children took part in a sponsored fitness challenge. They raised £1536 towards new PE equipment in school.

### CPD:

I have taken part in a PE School Improvement Webinar this year. I have fed back any important information at Staff meetings.

I delivered a staff meeting in Autumn term sharing good practise from PE training with the FA schools the previous term about invasions games.

I developed our SEND adaptations document for PE and delivered a staff meeting about implementing this.

We loved taking part in various games using a variety of skills. Take a look at how athletic we were!

Nathan Brown (Sports Coach) delivered a PE staff meeting about Striking and Fielding games. Activity For All Coaches have worked along side 4 members of staff to deliver and team teach a 6 week unit of work in Spring 2 and Summer 1. Feedback from the teachers was excellent and all found it useful and say it will aid their future teaching of PE.

**Assessment and Data:**

Teachers continue to use the assessment grids to assess the children every time they complete a unit of work in PE. These grids include skills as well as a focus on vocabulary and an understanding of the inspirational sports person studied. Teachers then use these assessments to inform their overall assessment grade for PE at the end of the school year, which teachers input onto target tracker.
