Attendance and Punctuality

We expect every child to attend **every day**, arriving at school **on time** and **remaining in school for the full school day**.

This gives your child the best opportunity to make **progress** in their learning and in their social skills.

Our aim is for every child to have at least **97%** attendance. More than 6 days absence in a school year will drop their attendance below this target.

If you are struggling to get your child into school every day on time, please ask us for help.

Please check the **Attendance and Punctuality** leaflet and the **'Is my child too ill for school?'** leaflet for more information and advice.

Homework

- * All homework goes home on a Thursday and is expected to be returned on the following Monday
- * Spelling homework is also given out on a Thursday and children will be tested the following Friday
- * Homework should be completed to a high standard and in pencil
- * The Year Six expectation is for the children to read every night
- * Reading logs are to be brought into school each morning and filled in at home

PE days

- * Your child has now been allocated their school PE kit which will remain in school
- * Please ensure your child has suitable trainers or black pumps for PE and make sure these are named and can be kept in school.
- * The kit provided by school must not be worn for out of school activities and clubs.

SATS – May 2025

- * In 2025, Year 6 SATs week will take place on the week beginning Monday 12th May.**
- * The SATs tests will take place throughout the week, starting on Monday 12th and ending on Thursday 15th May**
- * There are six tests in total. Writing is teacher assessed.**

SATS – May 2025

The six tests are:

- Grammar and punctuation
- Spellings
- Reading
- Arithmetic
- Reasoning Paper 1
- Reasoning Paper 2

Topics

- Our topics this year are:
- The Egyptians
- Water
- Iron Age/Stone Age

Our School Website

How do I find out about what my child is learning?

- Pupil pages provide information about they will be learning
- Parent – What is my child learning? Contains long term and half term overviews
- Curriculum pages have a wealth of information and pictures about what your child will be learning in each of the subject areas

The screenshot displays the Mersey Park Primary School website. At the top, a blue navigation bar contains the school logo and links for Home, About, Key Information, Pupils, Parents, Safeguarding, and Curriculum. Below this, a main heading reads "'Be Nice', 'Work Hard' and 'Never Give Up'". To the left is a circular profile picture of Mrs Thomas, Headteacher, with her name and title below it. To the right is a quote: "'Pupils thrive at Mersey Park – their achievements and personal development are outstanding.'" Below the quote is a red box titled "A Place to Talk" with a speech bubble icon and text: "Click here if you would like to send a message through to a member of staff concerning your child." Further down, a section titled "What is my child learning?" includes a "Curriculum Overview" link. On the right side, a vertical blue navigation menu lists subject areas: Art and Design, Computing and ICT, English, History, Music, PE, PSHE, Science, and Special Educational Needs. The main content area shows a "Curriculum" section with a "Mersey Park Primary School Curriculum Intent Statement" and a "Intent" sub-section.
