

Religion and World Views at Mersey Park Primary School 2025 -26

Our children have been enjoying learning through the Kapow 'Religion and World Views' schemes of work. They have been discussing and studying subjects such as:

- Why should we care for our world?
- How do some people talk to God?
- Where do our morals come from?
- Why is it better to visit important places in person?

This year, we have noticed an impressive improvement in the children's confidence when speaking aloud, willingness to share ideas and to discuss important matters respectfully. This has been due to the progression of 'Voice 21' in our school and it has been wonderful to see. Children successfully learnt about a range of religions and different world views including Abrahamic religions, Dharmic religions and Humanist worldviews.

Statement	I think it's True	I think it's False
During the Second World War, around 6 million Jews died in Europe.	True	True
Many black people were working as slaves in America and England in the early 1800's.	True	True
All countries in the world have laws that allow people who are gay to be married.	False	False
More boys than girls go to school in Pakistan.	True	True
Women in England were allowed to vote before 1918.	False	False
More young people belong to a gang than those who don't.	False	False
The Paralympic Games have been taking place for over 100 years.	False	False

All of the children at Mersey Park have been given the opportunity to celebrate Christmas and Easter at our two local churches— Tranmere Methodist Church and St Catherines Church. Our younger children have also been able to visit St Catherines and have participated in a variety of workshops.

Key Stage One have enjoyed learning about the creation story, they have explored different religious leaders and how followers of those religions communicate with their prophets. Key Stage Two have reflected upon why it is important to stand up for what they believe in and have used their Voice 21 debating skills to discuss who should be in charge.

Throughout the whole school, when learning about different world views, we have embodied our British Values, in particular tolerance and respect when learning about different people and their views.

Religion and World Views at Mersey Park Primary School 2025 -26

Teachers across the school have used written assessment to assess all children once units of work are complete. These assessments have tested the children's retention of vocabulary, significant people and embedded knowledge from the unit. These assessments have then assisted staff when giving children their assessment grade at the end of the year which is recorded on Juniper Education Sonar Tracker.

End of Year Data July 2026			
	% below expectation	% At expectation +	% Above expectation
Year 1	17%	83%	0%
Year 2	29%	71%	0%
Year 3	5%	93%	2%
Year 4	15%	73%	12%
Year 5	23%	73%	4%
Year 6	5%	85%	10%
