Attendance

Every Child in Every Day

Non-School
days in a year

175

(Please take holidays or make
appointments during this time)

We expect every child to attend **every day**, arriving at school **on time** and **remaining in school for the full school day**.

This gives your child the best opportunity to make **progress** in their learning and in their social skills.

Our aim is for every child to have at least **97%** attendance. More than 6 days absence in a school year will drop their attendance below this target.

If you are struggling to get your child into school every day on time, please ask us for help.

Please check the **Attendance and Punctuality** leaflet and the **'Is my child too ill for school?'** leaflet for more information and advice.

Homework

- * All homework goes home on a Wednesday and is expected to be returned on the following Wednesday.**
- * Homework should be completed to a high standard and in pencil**
- * The Year Six expectation is for the children to read every night**
- * Reading logs are to be brought into school every day.**

PE days

- * Your child has now been allocated their school PE kit which will remain in school**
- * Please ensure your child has suitable trainers or black pumps for PE and make sure these are named and can be kept in school.**
- * The kit provided by school must not be worn for out of school activities and clubs.**

SATS – May 2027

- * In 2027, Year 6 SATs week will take place on the week beginning Monday 10th May.
- * The SATs tests will take place throughout the week, starting on Monday 10th and ending on Thursday 13th May
- * There are six tests in total. Writing is teacher assessed.

Allergy Awareness & Benedict's Law: Information for Parents

Allergy Awareness

- Ensure school records are up to date for your children
- Provide in-date medication if needed, with consent forms completed at the office
- Teach children not to share food or drinks
- Encourage children to speak up if they feel unwell

Benedict's Law

From September 2026, schools in England must legally:

- Have a school allergy policy
- Complete staff training annually
- Hold spare adrenaline auto-injectors on site
- Ensure there is an Individual Healthcare Plan for every child with an allergy

How Parents Can Help

- Report changes to medical needs or conditions quickly to school
- Check medication expiry dates
- Attend review meetings
- Work closely with school
- Reinforce allergy safety and awareness at home and on trips

♥ Together we can create a safe, inclusive environment for every child.
